PROFESSIONAL SUMMARY

Narrative Designer and Game Writer with experience in interactive storytelling, dialogue writing and branching narrative systems. Focused on integrating narrative with gameplay through world-building, environmental storytelling and character-driven writing. Filmmaking background supports cinematic pacing and cross-disciplinary collaboration.

CORE SKILLS

- Dialogue Writing & Character Development
 - Branching Narrative & Player Agency
 - Quest Design & Narrative Systems
 - Environmental Storytelling
 - Cinematic Scripting & Scene Writing
 - Narrative Documentation (outlines, character sheets, quest design)
 - Cross-team Collaboration
-

GAME & NARRATIVE EXPERIENCE

Megalith Interactive Studios - IDILI

<https://store.steampowered.com/app/2595700/IDILI/>

- Expanded the first narrative direction, integrating world-building, social themes and environmental storytelling within an existing design framework.
- Reinterpreted regional folklore as a narrative system, developing the antagonist's logic, motivation and behavior from mythological sources rather than genre conventions.
- Wrote dialogue and cinematic sequences, maintaining consistent character voice across linear progression.
- Developed world-building documentation including antagonist profiles, environmental narrative and thematic frameworks.
- Directed voice performance during dialogue recording sessions.
- Represented the project at Tokyo Game Show 2024.

Narrative Design Training – Digital Bros Game Academy

- Training in game writing, narrative design, and interactive storytelling
 - Developed branching narrative structures and player-driven dialogue systems
 - Worked with spreadsheets and structured data for branching dialogue and narrative systems
 - Experience in level design and quest design integration
-

FILM & MULTIMEDIA EXPERIENCE (Condensed)

Filmmaker / Editor / Sound Designer (Freelance, 2017–Present)

- Directed and edited video projects across documentary, live events, and multimedia installations
- Managed full production pipelines from concept to delivery
- Developed strong skills in pacing, visual storytelling, and collaboration

Post Producer – DAU (Berlin Film Festival 2020)

<https://www.imdb.com/it/title/tt1728616/>

Phenomen Films, London

- Coordinated post-production workflows across editing, sound, color and subtitles
- Selected and presented at Berlinale 2020.

EDUCATION

- **Narrative Design Course** – Digital Bros Game Academy (2026)
- **BA in Electronic Music (Multimedia Arts)** – Conservatorio di Cagliari (110/110 Cum Laude)
- Erasmus Program – Academy of Fine Arts, Krakow

TOOLS
